

Berhatiah

BERHATIAH

In the Arabic literature, there is the Barhatiah conjuration. The conjuration got its name from the first sacred name in its list of names. Their fame is where any similarity between them ends. The Lesser Banishing Ritual of the Pentagram (LBRP) ritual is a known quantity with a well defined and specific purpose, with a clear historical origin; it is easily translatable, contains mainstream religious names and symbolism, and is suited for beginners in Golden Dawn inspired occultism. The Barhatiah is a conjuration that is shrouded in myth, of unknown origin; it has a multitude of variations, has names that have yet to be properly translated over the span of 800 years, and is useful for a multitude of purposes with promised great effectiveness.
